

At Garden of Life, all products are researched and developed to be the safest and most effective. We adhere to the highest standards of product quality and testing, and believe in complete transparency with respect to our products. The following chart reflects actual test results of the products listed and will be updated from time-to-time.

ITEM DESCRIPTION	TYPICAL HM RESULTS			
	Lead Limits < 4mcg/svg	Cadmium Limits < 4.1mcg/svg	Mercury Limits <2mcg/svg	Arsenic Limits <10 mcg/svg
